The information below serves an advisement purpose only due to changes in the program prerequisites and application procedures for the A.D.N. Nursing Program. All prospective A.D.N. students must attend an Advising Session to obtain up to date information on current program curriculum, program requirements, and wait list information. These advising sessions are conducted on the first and third Wednesdays of each month (September – May) from 4:30 pm – 5:30 pm in room C101. Appointments are not necessary. No food, drinks or children are allowed at these advising sessions.

Effective August 1, 2004, new students must complete the following proficiencies and prerequisites before their applications can be considered for admission to the program.

### INFORMATION FOR NEW STUDENTS

**SEQUENTIAL APPLICATION PROCEDURE & PROGRAM ADMISSION REQUIREMENTS**

1. Meet with a counselor to develop an educational plan and to initiate the evaluation process of official transcripts of previous college courses and proficiencies*.

2. **Math Proficiency** - Qualify for the math proficiency to meet LBCC graduation requirement through the LBCC Assessment test; or complete Math 110 (Elementary Algebra) or higher with a grade of “C” or better.

3. **Reading proficiency** – Qualify for the reading proficiency to meet LBCC graduation requirement through the LBCC Assessment test; or complete Reading 82 with a grade of “C” or better.

4. **Computer proficiency** – Qualify for the computer proficiency to meet graduation requirement through completing computer courses listed for proficiencies on the LBCC ABC Guide or though Credit By Examination.

5. **Completion of Anatomy 1** (Human Anatomy) with at least a grade of “C” or higher within 5 years.

6. **Completion of Physiology 1** (Human Physiology) with at least a grade of “C” or higher within 5 years.

7. **Completion of Biology 2** (Microbiology 2) with at least a grade of “C” or higher within 5 years.

8. **Completion of English 1** (Freshman Composition), English 105 or ESL 34 with at least a grade of “C” or higher.

9. **High School Diploma or Equivalency** – Proof of U.S. high school graduation or equivalency must be submitted with application. All foreign transcripts must be evaluated by a state certified translation service. Long Beach City College recommends the ACEI service for evaluation of foreign transcripts. Please visit [www.acei1.com](http://www.acei1.com) for additional information and application.

10. **Grade Point Average** – An overall GPA of 2.50 must be achieved in all science courses. An overall 2.0 GPA must be achieved in all other courses. Completion and satisfaction of program prerequisites does not guarantee acceptance into program.

11. Satisfactory completion of all other general education requirements is highly recommended.

12. Completion and satisfaction of the above does not guarantee acceptance into the A.D.N. program.

### INFORMATION FOR STUDENTS WHO HAVE ALREADY SUBMITTED RN PROGRAM APPLICATION AND ARE ON THE WAIT LIST

To be considered for admission to the program under the old requirements, all of the following prerequisites must be completed by Summer 2006**

- Biology 60 (Human Biology 1) & Biology 60 L (Human Biology 1Lab)
- Biology 61 (Human Biology 2)
- Biology 62 (Human Biology 2)
- CDECE 47 (Human Development)
- English 105 (Fundamental of Writing) or ESL 34 or English 1 (Freshman Composition)
**Students who do not complete the required coursework by the deadline, will need to reapply to the Nursing Program under the new requirements outlined above.**

*Courses and prerequisites completed at another college or university must be evaluated for Long Beach City College equivalencies. Please see a counselor to initiate the official transcript evaluation process.

**For further information, please attend the A.D.N. Advising Session or schedule an appointment with a Counselor at (562) 938-4560 (LAC) or (562) 938-3920 (PCC).**
