

DANCE

Associate in Arts

CAREER OPPORTUNITIES

Students learn an appreciation of dance as an art form as well as instruction in dance technique, choreography, and aesthetics. Students are also provided partial lower division preparation for transfer to a baccalaureate degree in this field.

This Associate Degree will prepare students for careers in body therapies, dance, and teaching or dance studio operation.

DEPARTMENTAL ADMISSION REQUIREMENTS

None. For more departmental information call (562) 938-4563 or 938-4383.

GRADUATION REQUIREMENTS

For ASSOCIATE IN ARTS DEGREE:

The Associate Degree is a two-year college degree awarded by Long Beach City College which includes general education courses and a major. Complete the required units listed above with a minimum grade of "C" in each. In addition, complete the A.A. degree requirements specified in the Catalog. The requirements for general education/proficiency and the field of concentration need to be from the same catalog year. This catalog year may be any year between the year of initial enrollment to the present, provided continuous enrollment is maintained throughout (see the catalog for definition of "continuous enrollment"). Fifty per cent (50%) or more of the unit requirements for this field of concentration must be completed in residence (credit earned by exam, where applicable, may be included).

In general, "double-counting" is not allowed. That is, one course may not be used to fulfill both a field of concentration requirement and to fulfill a general education requirement.

REQUIRED for the Natural Sciences requirement: any Biological Science listed for the Associate Degree general education (ANAT 41 recommended).

RECOMMENDED for Communication & Analytical Thinking requirement:

†* ENGL 1 and † ENGL 3

NOTE: To receive a degree you must submit completed application forms in the Admissions and Records Office during your final semester of course work.

Students interested in transferring to a university to continue their study in this field of concentration or other majors are strongly advised to consult an LBCC academic counselor and refer to the ASSIST website (www.assist.org) for major preparation information. Counselors can clarify the different major and admissions requirements at a university. Students may visit the Student Success/Transfer Services Center to access further educational resources. To set up an appointment to see a counselor or schedule the SOAR Test, call LAC (562)938-4561 or PCC (562)938-3920.
