LEGEND

† This course has a prerequisite; prerequisite courses must be completed with at least a "C" or "CR" grade (see catalog or schedule of classes).

GRADUATION REQUIREMENTS

For CAREER CERTIFICATE:

The Career Certificate is a one to two year program in occupational/technical areas at Long Beach City College that provides training in job skills and employment opportunities. Complete the required units listed above with a minimum grade point average of 2.0 ("C" average). Fifty percent (50%) or more of the unit requirements for this field of concentration must be completed in residence (credit earned by exam, where applicable, may be included).

For ASSOCIATE DEGREE:

The Associate Degree is a two-year college degree awarded by Long Beach City College which includes general education courses and a major. In addition to the requirements for this Career Certificate, complete the A. A. degree requirements specified in the catalog. The requirements for general education/proficiency and the field of concentration need to be from the same catalog year. This catalog year may be any year between the year of initial enrollment to the present, provided continuous enrollment is maintained throughout (see the catalog for definition of "continuous enrollment"). Fifty percent (50%) or more of the unit requirements for this field of concentration must be completed in residence (credit earned by exam, where applicable, may be included).

Required for the Communication & Analytical Thinking requirement:

† ELECT 225, Algebra and Trigonometry for Technicians OR Mathematics 110 or 110B, First Course in Algebra OR a more advanced level of Mathematics may be substituted.

Recommended for the Natural Sciences requirement:

Environmental Science 1 (Energy for the Future) OR † Chemistry 2 OR Physics 10.

NOTE: To receive a certificate or degree you must submit completed application forms in the Admissions and Records Office during your final semester of course work.

In general, "double-counting" is not allowed. That is, one course may not be used to fulfill both a field of concentration requirement and to fulfill a general education requirement.

COMPLETION CERTIFICATE REQUIREMENTS

For COMPLETION CERTIFICATE:

The Completion Certificate certifies a competency in a given area and requires less than 18 units. Fifty percent (50%) or more of the unit requirements for this field of concentration must be completed in residence. Complete the required units at Long Beach City College with a minimum grade of “C” in each course. Submit a completed application for the Completion Certificate in the Admissions and Records Office after completion of required units.

Students interested in transferring to a university to continue their study in this field of concentration or other majors are strongly advised to consult an LBCC academic counselor and refer to the ASSIST website (www.assist.org) for major preparation information. Counselors can clarify the different major and admissions requirements at a university. Students may visit the Student Success/Transfer Services Center to access further educational resources. To set up an appointment to see a counselor or schedule the SOAR Test, call LAC (562)938-4561 or PCC (562)938-3920.
