PROGRAM INFORMATION

Long Beach City College is fully accredited by the Western Association of Schools and Colleges. The nursing program is accredited by the National League for Nursing Accrediting Commission, 61 Broadway, 33rd Floor, New York, NY, 10006, (212) 363-5555 and the State of California Board of Registered Nursing. The Career Ladder Program (Licensed Vocational Nurse to Registered Nurse Program) is designed to be completed in two and a half semesters. Two advanced placement programs are offered: Associate Degree program and a Certificate program (30 unit option). This Associate Degree and Certificate prepare students for an entry-level position in a variety of health care settings following successful completion of the NCLEX-RN. The ADN also serves as a foundation for specialization. Persons who complete either program are qualified to take the registered nurse national licensing exam. However, persons who complete only the certificate of achievement program are not graduates of an accredited ADN program and may not qualify for license by endorsement in other states. For additional information call (562) 938-4166.

RESTRICTIONS ON LICENSURE:

Persons with substance abuse problems or with conviction of crimes substantially related to the practice of nursing may not be granted a license by the California Board of Registered Nursing. Fingerprints are part of the application for licensure. For further information see BRN Policy on Denial of Licensure.

DEPARTMENTAL ADMISSION REQUIREMENTS

SEQUENTIAL PROCEDURE FOR APPLICATION TO BOTH PROGRAMS

1. See a counselor to develop an educational plan and for evaluation of previous courses and proficiencies.
2. Complete mathematics proficiency to meet current graduation requirements. Proper documentation must be submitted with application to the School of Health and Science.
3. Complete reading proficiency to meet current graduation requirements through LBCC assessment testing or completion of READ 82 or 83 with a grade of "C" or higher. Proper documentation must be submitted with application to the School of Health and Science.
4. Complete information competency or computer proficiency to meet current graduation requirements. To see a list of appropriate courses check the most current LBCC General Education Plan. Proper documentation must be submitted with application to the School of Health and Science.
5. Maintain an overall grade point average of 2.0 or higher for all courses. A grade point average of 2.5 or higher is required in all science courses for application. Proper documentation must be submitted with application to the School of Health and Science.
6. Proof of U.S. high school graduation or equivalency must be submitted with application to the School of Health and Science.
7. An official copy of transcripts from other colleges attended must be included with the application to the School of Health and Science.
8. Complete the application form for the APLVN-RN Program during the open application period. Forms are available in the "C" Building at the School of Health and Science. Provide proof of having completed steps 1-7. Bring completed application form with a self-addressed, stamped, legal size envelope (4 1/8" X 9 1/2", available in the Bookstore) to the School of Health and Science Building "C". DO NOT SEAL! If you wish, you may mail your application to the School of Health and Science, including a self-addressed, stamped, legal size envelope. IF ANY PART OF THE APPLICATION IS INCOMPLETE ALL MATERIALS WILL BE RETURNED TO YOU.
9. Qualified applicants will be selected for provisional admission based on the date of successful completion of ADN 20A, the challenge exam, and a minimum score of 67 on the TEAS examination (effective Spring, 2009). It is your responsibility to notify STAFF if you need special accommodations prior to testing.

General frequency of course offering • SP = Spring, S = Summer, F = Fall, INF = Infrequently

† This course has a prerequisite; prerequisite courses must be completed with at least a "C" or "P" grade (see catalog or schedule of classes).

* In general, "double-counting" is not allowed. That is, one course may not be used to fulfill both a field of concentration requirement and to fulfill a general education requirement. This course is an exception to the "double rule" rule; it may be double-counted.

ESL 34 class can be substituted to fulfill this requirement

Students must complete the courses outlined on the curriculum guide for the year in which they take their first nursing course. Students who withdraw from the program will be obligated by the guide of the year of their re-entry into the program.

NOTE: All REQUIRED general education courses must be completed before entry to program since all of them will be required before earning the associate degree.

GRADUATION REQUIREMENTS

For **ASSOCIATE DEGREE:**

In addition to the requirements for this Program, complete the A.A. or A.S. degree requirements specified in the catalog. The requirements for general education/proficiency and the field of concentration need to be from the same catalog year. Nursing students must graduate under the catalog and nursing curriculum guide in effect for the entire class in which they are graduating. Fifty percent (50%) or more of the unit requirements for this field of concentration must be completed in residence (credit earned by exam, where applicable, may be included). Submit a completed application for the degree to the Office of Admissions and Records during the final semester of course work.

This is not an educational plan, as course offerings and student schedules and circumstances vary. Students interested in transferring to a university to continue their study in this field of concentration or other majors are strongly advised to consult an LBCC academic counselor and refer to the ASSIST website (www.assist.org) for major preparation information. Counselors can clarify the different major and admissions requirements at a university. Students may visit the Student Success/Transfer Services Center to access further educational resources. If you need to set up an appointment to see a counselor or schedule the SOAR Test, please call LAC (562)938-4561 or PCC (562)938-3920.
