Long Beach City College is fully accredited by the Western Association of Schools and Colleges. The nursing program is accredited by the National League for Nursing Accrediting Commission, 61 Broadway, 33rd Floor, New York, NY, 10006, (212) 363-5555 and the State of California Board of Registered Nursing. The Career Ladder Program (Licensed Vocational Nurse to Registered Nurse Program) is designed to be completed in two and a half semesters. Two advanced placement programs are offered: Associate Degree program and a Certificate program (30 unit option). This Associate Degree and Certificate prepare students for an entry-level position in a variety of health care settings following successful completion of the NCLEX-RN. The ADN also serves as a foundation for specialization. Persons who complete either program are qualified to take the registered nurse national licensing exam. However, persons who complete only the certificate of achievement program are not graduates of an accredited ADN program and may not qualify for license by endorsement in other states. For additional information call (562) 938-4166.

RESTRICTIONS ON LICENSURE:
Persons with substance abuse problems or with conviction of crimes substantially related to the practice of nursing may not be granted a license by the California Board of Registered Nursing. Fingerprints are part of the application for licensure. For further information see BRN Policy on Denial of Licensure.
ASSOCIATE DEGREE OF NURSING PROGRAM
LVN to RN Career Ladder Degree Program

CAREER OPPORTUNITIES

Graduates of the LVN to RN Career Ladder Degree Program are eligible to transfer into the upper division nursing courses in ADN to bachelor’s degree nursing programs and ADN to master’s degree nursing programs.

A suggested fulltime sample sequence of courses for the program is listed below. All ADN courses are sequential.

PREREQUISITES COURSES FOR THE PROGRAM

TOTAL UNITS 34

General frequency of course offering • SP = Spring, S = Summer, F = Fall, INF = Infrequently
† This course has a prerequisite; prerequisite courses must be completed with at least a "C" or "CR" grade (see catalog or schedule of classes).
* In general, “double-counting” is not allowed. That is, one course may not be used to fulfill both a field of concentration requirement and to fulfill a general education requirement. This course is an exception to the "double rule" rule; it may be double-counted. # ESL 34 class can be substituted to fulfill this requirement

Students must complete the courses outlined on the curriculum guide for the year in which they take their first nursing course. Students who withdraw from the program will be obligated by the guide of the year of their re-entry into the program.

NOTE: All REQUIRED general education courses must be completed before entry to program since all of them will be required before earning the associate degree.

GRADUATION REQUIREMENTS

For ASSOCIATE DEGREE:
In addition to the requirements for this Program, complete the A.A. or A.S. degree requirements specified in the catalog. The requirements for general education/proficiency and the field of concentration need to be from the same catalog year. Nursing students must graduate under the catalog and nursing curriculum guide in effect for the entire class in which they are graduating. Fifty percent (50%) or more of the unit requirements for this field of concentration must be completed in residence (credit earned by exam, where applicable, may be included). Submit a completed application for the degree to the Office of Admissions and Records during the final semester of course work.

For CERTIFICATE OF ACHIEVEMENT:

Complete the required units with a minimum grade of "C" or better in each course. Submit a completed application for the certificate to the Office of Admissions and Records during the final semester of course work.

This is not an educational plan, as course offerings and student schedules and circumstances vary. Students interested in transferring to a university to continue their study in this field of concentration or other majors are strongly advised to consult an LBCC academic counselor and refer to the ASSIST website (www.assist.org) for major preparation information. Counselors can clarify the different major and admissions requirements at a university. Students may visit the Student Success/Transfer Services Center to access further educational resources. To set up an appointment to see a counselor or schedule the SOAR Test, call LAC (562)938-4561 or PCC (562)938-3920.
